

How do I become a member of Holy Trinity Church?

Membership in the Orthodox Church begins at Baptism (or Chrismation for those who come to the Orthodox Church from a different Christian church) and continues throughout our lives. We are united with Christ through the Sacraments of the Church, and through the faithful offering of our lives to Jesus Christ.

Our Archdiocese requires each parish to distinguish between voting members and non-voting members. A voting member is over 18 years of age and becomes a steward of the parish by signing and returning the Stewardship Commitment Card you are now holding. A steward of the church commits a portion of time, talent and treasure to the church. We encourage all our stewards to remain current through the year and complete their stewardship commitment before the end of the stewardship year. True membership in the Church means living according to Christ's word in the fellowship of worship and faithful stewardship. **Thank you for being part of the fellowship at Holy Trinity Church in Portland.**

Stewardship is more than the money you offer in your annual commitment. It is also the creativity and talents that you bring for the good of our church.

Do you have talents that you wish to offer to Holy Trinity Church? If you do, please indicate below:

What a blessing we share! Thank you.
